## COMMUNITY REPORTS

Sharon Mukai, in her capacity as chair of the Daystall Tenants Association, reported that the DTA's Special Events Committee is playing a role in Market Street Fair planning.

Haley Land reported that miscommunication resulted in his not being able to canvass the craft line and encourage Constituency membership renewals, and instead his notifying some crafters that their memberships were "grandfathered." During discussion, it became apparent that there had been some understandable confusion with 67 membership renewals in 2008 which the PDA—when it was maintaining the Constituency's membership database—incorrectly listed as expiring March 8, 2010 rather than April 30, 2009, and which the Constituency "grandfathered" with an expiration date of April 30, 2010.
